TITLE:	Expert Technical Specialist (6618143, 6618144)
JOB DUTIES:	Maintain the install application packages for COTS and GOTS products used in DOL OCIO Environment. Be part of the Desktop Support Team to support application packaging for a Windows 10 deployment as well as other COTS products such as Cisco AnyConnect, DB2 Runtime, Cisco Proximity, and Microsoft Teams. Act as the point of contact for the Desktop Support Team for technical support regarding packages and SCCM deployments. Interacts well with end users and peer to support Desktop services for onsite and remote users. Design, develop, evaluate, and modify systems and systems-oriented products through their entire life cycle. Generate quantifiable requirements based on customer description, system planning and design, and acquisition logistics. Ensure requirements comply with client requirements and government standards through formal verification methods. Translate high level product development strategies into system requirement specifications and works with other engineering disciplines to develop lower-level detailed implementation requirements. Establish and coordinate development of standards, practices, and procedures as related to the overall product development. Review test plans/procedures and ensure they meet the objectives of the contractual requirements and participates in the testing process to validate requirements. Telecommuting is permissible. Will work at various unanticipated end clients throughout the U.S.
REQUIREMENTS:	Position requires a Bachelor's or foreign degree equivalent in Computer science, or related field, plus five (5) years of work experience in job offered, a related occupation or any occupation in which the required experience was gained.
JOB SITE:	Chantilly, VA; 40 hours/week
SALARY:	$166,775.70/year - $179,000.00/year. This represents the typical salary range for this position based on experience and other factors. An Equal Opportunity Employer including Disability/Veteran.
CONTACT:	Peraton Enterprise Solutions LLC, recruit_hr@peraton.com. Job reference: #6618143, 6618144.
